New Yorkers Dying To Know Their 'Past Life'

NEW YORK, NY (PRNewswire) February 12 - The cyclical nature of birth, life, death, happiness, pain and sorrow are experiences that have bewildered mankind for centuries, urging many to question the purpose and meaning of their everyday existence. Therefore, perhaps it is time to try and penetrate the "why and how" of life, in order to understand that maybe there is an answer, that can only be perceived with an open heart and mind.

MONEY, SEX, POWER: WHAT'S YOUR KARMA?®, the LIVE Psychic show and Web TV series (<http://www.WhatsYourKarma.tv>), produced by Astrobabble Productions LLC with host, clairvoyant Lilith Dove provides a possible solution to these questions.

Ms. Dove's unique show-stopping ability to "read" thirty-plus audience members anonymously in a rapid-fire style takes them on a jaw-dropping rollercoaster ride – no need for past life regressions, no second-guessing, and no questions asked, just touch a card. "It's a blast from the past," says FOX 5 News. The Village Voice states, "a young, sexy, chic woman with a sense of style; unlike her TV counterparts, Dove may thus delight the material eye, as well as the psychic one."

By experiencing the LIVE show, the truth that we are all connected will become a reality, motivating each individual to be mindful of "what goes around, comes around" – karma. The concept of karma is ultimately the precursor to reincarnation and reason for past lives.

FOX Broadcasting Corp.'s new drama series PAST LIFE suggests that mainstream America is finally ready for this groundbreaking phenomenon.

In the vein of promoting good karma, Astrobabble Productions LLC will collect donations to benefit the Haiti Relief Effort.

Separate fact from fiction.
